

## Texas Coastal Management Program

Texas Land Commissioner George P. Bush is awarding up to \$1.8 million in grant funding for coastal projects in your area.

The Texas General Land Office will hold three grant workshops to provide information on the grant program and allow potential applicants to discuss specific project ideas with staff. Workshops are beneficial to local, regional and state governments, nonprofits and public universities. Attendance for new applicants is highly recommended.

Learn how to apply for Texas Coastal Management Program Grant Cycle #23 funding. Attend a workshop in South Padre Island, Corpus Christi or Galveston.

## Coastal Grant Funding Opportunities through the Texas General Land Office

Proposed projects must be located within the Texas coastal zone and address at least one of the following: critical habitat enhancement, coastal hazard response, beach and bay access, waterfront revitalization and ecotourism development, permit streamlining, local planning assistance or water quality.

Applicants must provide a local or third-party match of 40% of the total project cost to comply with federal matching requirements. Match may be in the form of a “cash” match, “in-

kind” match, or a combination thereof. Federal funds, received directly or passed-through by a state agency, cannot be used as match.

The deadline to submit pre-proposals is June 21, 2017, with final applications due on September 20, 2017.
